LIGHTING YOUR FINANCIAL FUTURE

New Online Service:

Make loan payments through our website 24/7

Use an account at another financial institution to make your GeoVista loan payment.

This option will be available for all loans with the exception of Visa® credit card accounts. Once you have registered your information and account with us, you will be able to make a payment from a savings or checking account at another financial institution. You will

need to have the information for the paying account, the routing number of the other financial institution and the account number.

The Choice is

CLEAR

Choosing your new vehicle may be difficult, but when it comes to your auto loan, the choice is clear. GeoVista Credit Union offers low rates, convenient terms and quick approval.

Your rate could be as low as **2% APR*** for 36 months (for 2009 - current year models)

You can even apply for your loan before you start to shop. Then when you find the vehicle you want, you won't have to wait, and you won't be tempted to settle for a loan that will end up costing you more.

Don't pay more than you have to for your next auto purchase. Choose the value of a GeoVista auto loan. For more information, visit any of our locations, or call (912) 368-2477, option 5.

*Annual Percentage Rate. All loans subject to credit approval.
