INSPIRING HOPE FOR  
A GLOBAL COMMUNITY™

International Credit Union (ICU) Day® celebrates the spirit of the global credit union movement. The day is recognized to reflect upon the credit union movement's history, promote its achievements, recognize hard work and share member experiences. ICU Day® has been celebrated on the third Thursday of October since 1948.

This year's global health crisis has been trying for many communities around the world, but credit unions stayed true to their cooperative principles and stepped up during this time of economic uncertainty. Hope is a global resource that everyone has a right to feel and experience. This year's ICU Day theme "Inspiring hope for a global community" reflects how credit unions contribute to a brighter future by providing financial empowerment to people all over the world through financial services, education, and support.

Please join us on October 15, 2020 as we celebrate the 72nd anniversary of ICU Day®!
