April is National Credit Union Youth Month™

April is National Credit Union Youth Month™ which is a great time to encourage kids to develop healthy saving habits in a fun and exciting way.

We want to encourage youth savings by teaching kids that becoming a credit union saver will prevent their savings from going extinct. In fact, by depositing funds into their savings account, our young members can earn dividends and watch their money grow.

During the month of April, we invite you to bring your kids by the credit union to safely celebrate this important month.

Learn more about our youth accounts at www.geovistacu.com and open yours today!

What are the most popular uses of a home equity loan?

There are not many limits on how you can use your home equity, but there are a few good ways to make the most of your loan. Take a look at these top 5!

- 1. Home improvements** – Borrow against your home to remodel and grow your home's value.
- 2. College costs** – Use the funds to take care of big expenses such as college tuition.
- 3. Debt consolidation** – Consolidate all of your debts in a home equity loan and start paying one single payment, once a month.
- 4. Emergency expenses** – Use the equity to take care of those unexpected emergency expenses such as car repairs, medical costs or more.
- 5. Wedding expenses** – Borrow the equity to fund a large milestone event such as a wedding or big-ticket vacation.

At GeoVista you can borrow up to 80% of your home's value, minus your mortgage balance at amazingly low rates. If you're interested in learning more about how you can put your home's equity to work for you, call us at 912-368-2477, Opt. 5 today.

Rates and terms vary depending on loan-to-value ratio, credit evaluation and underwriting requirements. All credit union loan programs, rates, terms and conditions are subject to credit approval and may change at any time without notice.

GeoVista CU Staff Member Raises Funds for Local Children's Home

Our team member, Alex, has a big heart and a desire to help anywhere there is a need. When she learned the local children's home needed help, she had a great idea.

She volunteered to wrap gifts for her co-workers for a donation. GeoVista was in full support of this idea! Her goal was to raise funds and provide much needed items that the home's already strained budget didn't allow them to purchase. Alex's efforts and the generous support of the CU team paid off! The kids now have new bedding, comforters, towels and other much needed items.
