

WHAT YOU NEED TO KNOW ABOUT OVERDRAFTS AND OVERDRAFT FEES

An overdraft occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. We can cover your overdrafts in two different ways:

1. We have standard overdraft practices that come with your account.
2. We also offer overdraft protection plans, such as a link to another account or a line of credit, which may be less costly than our standard overdraft practices. To learn more, ask us about these plans.

This notice explains our standard overdraft practices.

➤ **What are the standard overdraft practices that come with my account?**

We do authorize and pay overdrafts for the following types of transactions:

- Checks and other transactions made using your checking account number
- Automatic bill payments

We will not authorize and pay overdrafts for the following types of transactions without your consent.

- ATM transactions
- Everyday debit card transactions

We pay overdrafts at our discretion, which means we **do not guarantee** that we will always authorize and pay any type of transaction. **If we do not authorize and pay an overdraft, your transaction will be declined.**

➤ **What fees will I be charged if GeoVista Federal Credit Union pays my overdraft?**

Under our standard overdraft practices:

- We will charge you a fee of **\$29.00** each time we pay an overdraft if your account is overdrawn more than \$5.00.
- If the amount needed to cover a transaction is \$5 or less, we will charge an overdraft fee of \$5.
- There is **no limit** on the total fees we can charge you for overdrawing your account

Overdraft Privilege allows you to overdraw your account up to the disclosed limit for a fee in order to pay a transaction. What Else You Should Know

- A link to another account or a line of credit may be a less expensive option than an overdraft. A single larger overdraft will result in just one fee, as opposed to multiple smaller overdrafts. Good account management is the best way to avoid overdrafts. Use our mobile banking, Internet banking, and telephone banking services to keep track of your balance. For additional financial education resources, please visit www.mymoney.gov.
- The \$29.00 Overdraft Fee that is charged if you overdraw your account more than \$5.00 is the same fee that is charged if a check is returned as unpaid.
- For consumer accounts only, if the amount needed to cover a transaction is \$5 or less, we will charge an overdraft fee of \$5.
- If multiple items overdraw your account on the same day, each item will be assessed an appropriate Overdraft Fee or a Returned Item Fee of \$29.00. All fees and charges will be included as part of the Overdraft Privilege limit amount. Your account may become overdrawn more than the Overdraft Privilege limit amount because of a fee.
- For consumer accounts, there is no limit on the total Overdraft Fees per day we will charge.
- This describes the posting order for purposes of determining overdrafts. Our general policy is to post items throughout the day and to post credits before debits. Paper checks and ACH transactions are posted in lowest to highest dollar amounts, while ATM and POS transactions post in the order in which the items are received. However, because of the many ways we allow you to access your account, the posting order of individual items may differ from

these general policies. Holds on funds (described herein) and the order in which transactions are posted may impact the total amount of Overdraft Fees or Returned Item Fees assessed.

- Although under payment system rules, GeoVista Federal Credit Union may be obligated to pay some unauthorized debit card transactions, GeoVista Federal Credit Union will not authorize debit card or ATM transactions unless there are available funds (including Overdraft Coverage Options) to cover the transactions and any fee(s).
- Giving us your consent to pay everyday debit card and ATM overdrafts on your consumer account (Extended Coverage) may result in you incurring Overdraft Fees for transactions that we would otherwise be required to pay without assessing an Overdraft Fee. However, this would allow us to authorize transactions up to the amount of your Overdraft Privilege limit and may also help you avoid overdrafts in excess of your available balance that could result in suspension of your debit card. If you consent to Extended Coverage on your consumer account, it will remain on your account until you otherwise withdraw it.
- GeoVista Federal Credit Union authorizes and pays transactions using the available balance in your account. GeoVista Federal Credit Union may place a hold on deposited funds in accordance with our Deposit Account Agreement and Disclosure, which will reduce the amount in your available balance. The available balance for checks, ACH items, and recurring debit card transactions is comprised of the ledger balance, less any holds on deposited funds and any debit card holds. The available balance for ATM and everyday debit card transactions on accounts with Standard Coverage is the ledger balance, less any holds on deposited funds and any debit card holds but does NOT include the Overdraft Privilege Limit.
- Please be aware that the Overdraft Privilege amount is not included in your available balance provided through online banking, mobile banking or GeoVista Federal Credit Union's ATMs.
- GeoVista Federal Credit Union will place a hold on your account for any authorized debit card transaction until the transaction settles (usually within two business days) or as permitted by payment system rules. In some cases, the hold may exceed the amount of the transaction. When the hold ends, the funds will be added to the available balance in your account. If your account is overdrawn after the held funds are added to the available balance and the transaction is posted to the available balance, an Overdraft Fee may be assessed.
- Except as described herein, GeoVista Federal Credit Union will not pay items if your account does not contain available funds (including the Overdraft Privilege limit) to cover the item(s) and the amount of any fee(s).
- GeoVista Federal Credit Union may suspend your debit card if you incur overdrafts in excess of the available balance in your account, including any Overdraft Privilege limit (as described herein). Debit cards on your account will remain suspended until you make sufficient deposits so that your available balance, taking into account any Overdraft Privilege limit, is positive and then you contact us.
- GeoVista Federal Credit Union may also suspend your debit card if your account is overdrawn more than thirty-two (32) consecutive calendar days. Debit cards on your account will remain suspended until you make sufficient deposits so that your account balance is positive.
- GeoVista Federal Credit Union may also suspend your debit card if we are unable to contact you due to an incorrect mailing address or Phone Number(s). You must contact us with your correct mailing address and/or Phone Number(s) to have your debit card reinstated
- We will charge a fee of \$10.00 to reactivate your debit card if we suspend your Debit Card.
- If your debit card is suspended, you will be unable to use your debit card for purchases or to access your account at the ATM, and if you use your debit card for recurring payments, e.g., utilities, you are responsible to make other arrangements for your recurring debit payment(s).
- An Overdraft Privilege limit of \$529.00 will be granted to eligible consumer checking accounts opened at least 35 days in good standing.
- Overdraft Privilege is not a line of credit; it is a discretionary overdraft service that can be withdrawn at any time without prior notice.
- Overdraft Privilege may be discontinued if you default on any loan or other obligation to us, your account becomes subject to any legal or administrative order or levy, or if you fail to maintain your account in good standing by not bringing your account to a positive balance within thirty-two (32) days for a minimum of one business day. You must bring your account balance positive for at least one business day to have Overdraft Privilege reinstated.
- Depositor and each Authorized Signatory will continue to be liable, jointly and severally, for all overdraft and fee amounts, as described in the Deposit Account Agreement and Disclosure. The total (negative) balance, including all fees and charges, is due and payable upon demand.
