### HOLIDAY LOAN

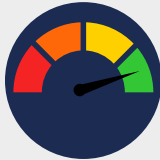

The holiday loan\* could help cover extra expenses like travel, gifts, and celebrations. We offer a special interest rate to qualifying applicants and a 12-months repayment plan spreading the cost to manageable payments.

\*With approved credit - certain restrictions apply.

### LOAN SKIP

The Holiday Loan Skip is here. If you have a qualified loan, you can choose to skip your loan payment during the month of November or December to help with added expenses during the holiday season. Please check our website for more information.

### CREDIT SCORE TRACKING PLUS

Credit Score tracking is available in online banking or the mobile app. Besides your score update Credit Score offers a simulation tool and tips to improve credit. Check out all the features and remember to always make your payments on time.

### FRAUD AWARENESS

Fraudsters always attempt to steal your money or your personal information. Their efforts increase during the holiday season with fake websites, messages or other methods to gain access to your money. Be vigilant and never share your online banking information.
