New Program: Greenlight Debit Cards for Kids

Greenlight provides a debit card designed for kids, and as a member of GeoVista, you can access the Greenlight Select Program at no cost when you fund the card using your GeoVista account.

With this card, you can:

- Send money instantly
- Set spending controls
- Receive real-time notifications
- Pay allowances based on completed chores

Kids can establish savings goals and monitor their progress while also enjoying financial literacy games. To find out more, visit our website.

Financial Education Program Launched

We have introduced a new, comprehensive yet user-friendly financial literacy program on our website. This program impacts real-world finance knowledge and practical life skills through brief reading sessions. It is also an excellent resource for both teachers and students, or anyone.

The Importance of Rainy Day Savings

Saving for a rainy day refers to setting aside funds for potential future needs. Being financially prepared for unexpected expenses provides you with flexibility and freedom in life. Begin your savings strategy as early as possible and cultivate it into a lifelong habit.

Loan Cost

Loan interest rates impact your monthly payment size and the cost of the debt. Lower interest rates maximize how much you can borrow. Be sure to have an eye on your loan rate.
