Are All Auto Loans More or Less the Same?

Only if you don't care whether you pay MORE, or LESS!

Have you ever wondered what makes an auto loan from GeoVista Credit Union different? Quite a bit, actually. All auto loans are not created equal. If you choose a loan with higher interest, you are paying more for the exact same vehicle!

At GeoVista Credit Union, we'll give you more — more service, more value and more personal attention. But it will often cost you less!

Your rate could be as low as 4.49% APR*.

So before you sign anything at a dealer or another lender, call and ask us, "What's the difference?"

The answer could be money in your pocket!

*Annual Percentage Rate.

Financial Planning at GeoVista Credit Union

Call or stop by to meet Justin McCartney, our financial advisor. Justin is ready to assist you to plan for the future and retirement. Schedule a consultation today to identify and work toward achieving your long-term goals.

*Non-deposit investment products and services are offered through CUSO Financial Services, L.P. ("CFS"), a registered broker-dealer (Member FINRA/SIPC) and SEC Registered Investment Advisor. Products offered through CFS: are not NCUA/NCUSIF or otherwise federally insured, are not guarantees or obligations of the credit union, and may involve investment risk including possible loss of principal. Investment Representatives are registered through CFS. The credit union has contracted with CFS to make non-deposit investment products and services available to credit union members.
